

Online Banking is Getting Better

SeaWest wants to make managing your accounts even easier. So we're bringing you an upgrade.

What to Expect

- The upgrade will take place on **April 4, 2021**
- All of your account details will be saved and ready to use including transaction history, payee information and scheduled payments.
- The login process will not change. You will be able to login using your current credentials as usual.

What will be New?

We've cleaned up the layout, made it simpler to use and still bring you convenient access to all your favorite features.

- Pay bills and almost anyone with Bill Pay and Zelle®
- View current balances and check your transaction history
- Bank from your tablet or mobile phone with our Mobile Banking App
- Transfer money between accounts internally and externally
- Track your expenses, create budgets, and set goals with Trends
- Monitor your credit score with SavvyMoney®
- **And much more!**

Go Beyond.
